LA JOYA — Jessica Sanchez, 21, was arrested early Thursday morning on suspicion of committing an indecency with a child.

The arrest came hours after officials with the Eagle Academy, a charter school that offers an alternative to the La Joya Independent School District, reported an explicit image was distributed to students via social media.

According to police reports, Roberto Velasquez, 29, arrived at the home of Sanchez’s boyfriend’s house Thursday morning and accused her of sending the image to his 14-year-old daughter.

Police arrested the man and his wife after a woman who reportedly tried to run over her own children with a knife.
