A fly rests on the stamen of a hibiscus flower recently in Brownsville. With summer here and the Earth’s temperature the hottest in 400 years according to The National Academy of Sciences, it is important to keep hydrated, wear sun block, and avoid being outside during the hottest part of the day. Pets and household plants need water and shade as well. Temperatures in Brownsville today are expected to reach 95 degrees.

Seventeen figures are recognized for saving man’s life

Barbara E. DeCarli

The Brownsville Herald

A 17-year-old girl was rushed to the hospital after being attacked by three men on a bus.

The incident occurred on Tuesday afternoon when the girl was attacked by the men on a bus while she was returning from school.

The Brownsville Police Department has launched an investigation into the incident and is seeking the public’s assistance in identifying the suspects.

Anyone with information about the attack is asked to contact the Brownsville Police Department at 956-542-0840.

POLICE BRIEFS

Walter Brown

The Brownsville Herald
