**Subject:** UPDATE! 17CR52975 - Angell Kirkpatrick Benson - DWI.

Interestingly, two (2) additional case files have been created, in addition to the original case file 17CR52975.

- 17CR53027
- 17CR53028

Bond was set at \$7,500.

A Blood Test record tape had been placed in the file, verifying a reading of .19 at both 4:21 pm and 4:24pm.

Additionally, there were, not one, but two SBI cards in the files. The SBI numbers were:

- CKN No. 349Q5U
- CKN No. JG2691X

I cannot recall multiple SBI cards with a single DWI criminal infraction.

Most interesting, there is an FBI numbered reference on the second SBI Card:

- ETD4WT5KP

I cannot recall a simple DWI case having an FBI reference number.

The case has been continued to 12/7/2017.
