Subject: Haywood Advancement Foundation and the Kirkpatrick Super-Duper Sports Complex.

What do you get when you combine the Haywood Advancement Foundation and the James Weaver “Kirk” Kirkpatrick Super Duper Sports Complex in Jonathan Creek? Rape City for Haywood County Taxpayers.

All of this appears to be coordinated by our Administrative Project Evaluator, David Francis, ex-Tax Collector who just won’t go away.

Check out Monday’s county commission agenda -

- Item 6, <http://haywoodnc.net/files/BOCC/12-18-17/attach-13-BLEContract.pdf>
- Item 7, <http://haywoodnc.net/files/BOCC/12-18-17/attach-14-AvconUSA.pdf>

All of these items are presented by David Francis, who the agenda claims he is a Project Administrator.

Remember that the county poured **\$1,600,000** into this boondoggle already?

<http://haywoodtp.net/pubTP/T150703.pdf> and <http://haywoodtp.net/pubTP/T160130.pdf>

They are about to sink another **\$244,927** into it again!

What started off innocently by moving some dirt over by Publix and transferring it to the James Weaver “Kirk” Kirkpatrick Super Duper Sports Complex in Jonathan Creek has turned out to be another \$244,927 project. Who pays for this? You and I will, consequently, Rape City.

I think we would be better off if the county leased this land to farmer for another year for \$5,000 so he could grow some corn for his cows.

What about Maggie Valley? They have a stake in this transaction also, as they kicked in an original \$100K for this fiasco. Do they get a say in all this?

And what is this all about using the Haywood Advancement Foundation (HAF) as the money launderer? I never even heard of this organization before, but the address is 28 Walnut Street, Suite 4, Waynesville, NC 28786. HAF is a 501 (c)(3) non-profit organization.

HAF will front \$200K for this operation, and the county (you and I) will repay this in back (plus interest) on December 15, 2022.

All this is being done on speculation. There is no current buyer or prospect for any of this.

Come watch this fiasco unfold at your next county commission meeting, Monday afternoon at 5:30pm.
