### What’s Happening?

The purpose of this newsletter is to inform Haywood County Taxpayers of what transpires at the bi-monthly County Commission Meetings. This newsletter will be written from the perspective of a casual observer, myself. Any opinions expressed will be mine.

### Out with the old.

Congratulations to Tommy Long and Mark Pless for a well deserved election win. The County Commission now has three (3) Republicans, one (1) democrat, and a [RINO]. The big surprise of the election is that **Michael Sorrells** was thrown out of office.

### First order of business for the new guys.

Take and swear to the Oath of Office.

### Second order of business for the commissioners.

Chose a Chairman and Vice Chairman.

As I understand it, commissioners will get together before the meeting and figure out who will be Chair and Vice Chair. This has been part of the good ole boy system since the beginning of time in Haywood County.

Conventional reasoning would be to hand the Chair over to **Kevin Ensley** [RINO], and the Vice Chair to Brandon Rogers.

But wait!

**Kevin Ensley** [RINO] is so heavily tied in with **James Weaver “Kirk” Kirkpatrick the III**, this good ole boys club will continue to perpetuate. The Chair is a powerful position, and he who is Chair, controls the meeting.

Brandon Rogers, Tommy Long and Mark Pless have worked hard to get to the point where there is a Republican majority on this board. They should consider taking the bull by the horns and kick **Kevin Ensley** to the side of the curb.

Any of these three Republicans are fully capable of Chairing this County Commission, and any of these three Republicans are full capable of the position of Vice Chair.

Let’s see what happens.

Legend: If any name is in **bold**, it can’t be a good thing.
