What’s Happening?

The purpose of this newsletter is to inform Haywood County Taxpayers of what transpires at the bi-monthly County Commission Meetings. This newsletter will be written from the perspective of a casual observer, myself. Any opinions expressed will be mine.

New Republican Leadership for Haywood County.

A swearing in ceremony and organizational meeting was held on December 3, 2018. The entire Sheriff’s department was sworn in, the first time I can recall all deputies being seated in the courtroom. I felt very safe. Hunter Plemmons administered the oath of office for new elected officials, and the not-so honorable **Donna Forga** swore in the new commissioners.

Affidavit appended to the end of this newsletter.]

Kevin Ensley [RINO] was selected as County Commission Chair, with Brandon Rogers selected as the Vice-Chair.

This historic County Commission now has three (3) Republicans, a democrat and a [RINO].

Here are some great photo’s of the event.

Surprise attendee! **Debbie King** [re: 18CVS116] decided to surface and come up for air. **Pat Carr** is the woman on the left, and unidentified woman in the middle, and **Debbie King** on the right, all laying low at the back of the courtroom.

STATE OF NORTH CAROLINA IN THE GENERAL COURT OF JUSTICE
COUNTY OF HAYWOOD DISTRICT COURT DIVISION
FILE NO.: 16CR053432

MONROE A. MILLER JR.

HAYWOOD CO. C.S.C.
BY DWF

Plaintiff,

vs.

CHARLES DOUGLAS WRIGHT

AFFIDAVIT

Defendant

Monroe A. Miller Jr., being first duly sworn deposes and says:

1. I am a Haywood County Taxpayer, and have lived in Haywood County since 2004.
2. That DONNA FAY FORGA is scheduled to hear my case on Tuesday, February 7, 2017, 16CR053432 in District Court, re: CHARLES DOUGLAS WRIGHT Communicating Threats.
3. That DONNA FAY FORGA sat as Vice-Chair on the Haywood County Board of Trustees during the period of time that the Board of Trustees was preparing to go before the Haywood County Commissioners for financing of the Creative Arts Building.
4. That Rose Johnson was President of Haywood Community College at that time, and Mark Bumgarner was Chair of the Haywood Community College Board of Trustees.
5. Prior to the presentation to County Commissioners, the Board of Trustees voted unanimously to approve the building plans for the Creative Arts Building. However, the Board of Trustees was split nearly 50/50 about approval of the FLS Solar Thermal portion of the project.
6. During the Public Comment Session at the Haywood County Commission Meeting on September 7, 2010, I made a Public Comment [re: Haywood County Commissioners Minutes, Regular Meeting, 9/7/2010]. From the minutes of that meeting:

“Monroe Miller stated that Dr. Rose Johnson, President of HCC, failed to provide the HCC Board of Trustees the FLS contract and refuses to answer his questions regarding the proposed Creative Arts Building. Mr. Miller summarized the decisions made at the HCC Board of Trustees meetings held August 30th and September 2nd, 2010. Mr. Miller urged the Board to table this motion for 90-120 days until the HCC Board of Trustees makes its final decision regarding the FLS Solar portion of the final contract.”
7. Once I alerted Rebecca Morgan, Secretary to the Board of Commissioners at that time, that there were irregularities that occurred during the September 7, 2010 meeting, the entire context of the meeting regarding the HCC contract was entered as a Verbatim Transcript into the minutes.

8. I had alerted several county commissioners prior to the September 7th 2010 meeting that there was a split vote with the FLS Solar portion of the contract.
9. Chairman Kirkpatrick, during the meeting, asked the following of Mark Bumgarner, who was standing shoulder with Rose Johnson and DONNA FAY FORGA,

“... I guess where I come down is, is if you had come in here today and I want to ask you this again to make sure, but if you’d come in today and there was a still a 6 / 5 decision I probably would be in line with Kevin right now because I would feel uncomfortable with the board coming in that you don’t have a real good consensus, but you’re telling me, Mark, that you all voted on it, or you had the approval. I don’t know if there was a vote or not, but you, you looking at me now have the approval of everyone on your board to move forward with this project.”

10. Mark Bumgarner responded, standing shoulder to shoulder with Rose Johnson and DONNA FEY FORGA, that:

“Yes, Sir. We’ve had eleven board members and that all unanimously agreed that, on the construction costs and the budget request, loan request amount, 100%.”

11. DONNA FAY FORGA failed by omission, to correct Mark Bumgarner, that the board did not unanimously agreement on the FLS Solar portion of the contract.

12. I wrote the following in my Haywood County “Toeprints”, September 9th 2010, Vol.#1 Issue #3, the following:

“It appears to me that there might have been a slight bit of deception on the part of **Bumgarner, Donna Forga** (who is running for District Judge in Nov.) and **Rose Johnson** (who all stood at the podium) in misleading the commissioners to believe the Board of Trustees “... were unanimous”. [Perhaps **Bumgarner** and **Forga** might consider stepping aside from their current positions as Chair and Vice-Chair, respectively, on the Board of Trustees at this time]. It is now left up to the discretion of the HCC Board of Trustees to determine if the Solar Thermal portion of this project will be approved - not the county commissioners any more.”

13. In a subsequent meeting with DONNA FAY FORGA, in a parking lot of a restaurant in Maggie Valley at a Republican political gathering, I confronted DONNA FAY FORGA on her Integrity, where DONNA FAY FORGA was reduced to tears.

14. DONNA FAY FORGA has no standing to sit before me in any court hearing to make any judgement on me at all, and must recuse herself from this case. Her best course of action would be to grant a continuance before another Judge, excluding Kristina Earwood.

I swear under pains and penalties of perjury that the above is true and accurate.
