What's Happening?
The purpose of this newsletter is to inform Haywood County Taxpayers of what transpires at the bi–monthly County Commission Meetings. This newsletter will be written from the perspective of a casual observer, myself. Any opinions expressed will be mine.

Things are changing.
The biggest surprise of last November's Election was that **Michael Sorrels** was thrown out of office, being replaced by Mark Pless.

The biggest surprise of Monday's County Commission meeting was that **Leon, a.k.a. Chip, Killian the III** was thrown out of office and replaced by Frank Queen.

WTF?

The following was my Public Comment at the 12/17/2018 County Commission meeting:

"Item 13 under New Business on today's agenda reads:

13. Request approval of Option for Purchase and Sale of Real Property from Landmark Asset Services, Inc., in the amount of $225,000 for the purchase of the Historic Haywood County Hospital located at 1230 N. Main St., Waynesville, NC – Program Administrator **David Francis**

First of all, regarding the job title for **David Francis**, it is not Program Administrator.

As of October 19, 2017, Kathi Mcclure indicated that his title was and is **Administrative Program Evaluator** which does still include the Solid Waste duties along with numerous other project management duties as assigned by the County Manager and/or Board of County Commissioners.

Secondly, who put this item on the agenda?

It appears to me that this has the fingerprints of at least four people:

• **Kevin Ensley**
• **James Weaver "Kirk" Kirkpatrick the III**
• **David Francis**
• **Leon Killian the III**

Please let me know the names of any other people that had a hand in putting this item on the agenda.

I appreciate your allowing time for me to express my concerns. Thank you."

So here we have **Chip, a.k.a. Leon, Killian the III**, in cahoots with **Kevin "Adjudication" Ensley [RINO]**, **James Weaver "Kirk" Kirkpatrick the III** and **David Francis**, attempting another grab at dangling tax credits to sell off the Old Hospital to **Landmark**, without saying anything about what is going to happen by displacing the Haywood County School Administration.

[**Editor's Note:** This is reminiscent of HCC falling for the FLS Solar Thermal System for the Creative Arts Building, (heavy tax credits to FLS) which never worked. Calling it by any other name, this was a scam.]

That's right, County Commissioners have a responsibility to move the School Administration to a new location if they sell the Old Hospital out from under them.

See:

http://www.haywoodtp.net/pubII/160324CountySchoolBuildingLease.pdf

And the next thing you know, before you can catch your breath, **Killian** was thrown out at the very next County Commission Meeting on 1/7/2019 and a new County Attorney was sworn in.

I've never seen anything move that fast.

The new attachment -

now includes provisions for any displacement of the Haywood County School Administration.

David Francis and Ira Dove.
At the memorable County Commission meeting on 8/7/2017, **David Francis** announced his retirement. [Smiley face]. Then he showed up again, like a bad penny, and now he is back with us.

Ira Dove was thrown out of office as County Manager, and now he is also back, like a bad penny, heading up DSS.

[**Editor's Note:** Why was **Ira Dove** thrown out of office?]

Both of these guys have lost their cover. They don't have **Mark Swanger, Bill Upton,** or **Michael Sorrels** to cover their [expletive deleted] any more.

Things are changing.

I am looking forward to a writing a new edition of Haywood County Toeprints which has the title:

David Francis, thrown out of office.

[Smiley face].   -2-

Legend: If any name is in **bold**, it can't be a good thing.
