Vol. #11 Issue #3 (Subject: “Constitution Protecting County” Resolution - Sucks.)

What’s Happening?

The purpose of this newsletter is to inform Haywood County Taxpayers of what transpires at the bi-monthly County Commission Meetings. This newsletter will be written from the perspective of a casual observer, myself. Any opinions expressed will be mine.

“Constitution Protecting County” Resolution.

This “resolution” is a desperate attempt by **Kevin Ensley** [RINO] and **Brandon Rogers** [R] at saving their necks at the March 3rd Primary Election.

This “resolution” does not contain the words “gun” or “sanctuary”. So, in no way, shape or form, does this “resolution” qualify Haywood County to join the ranks of an ever growing number of counties in North Carolina as a 2nd Amendment Gun Sanctuary County.

[**Editors Note:** The “Constitution Protecting County” Resolution appears at the end of this Toeprints.]

Oaths of Office for County Commissioners.

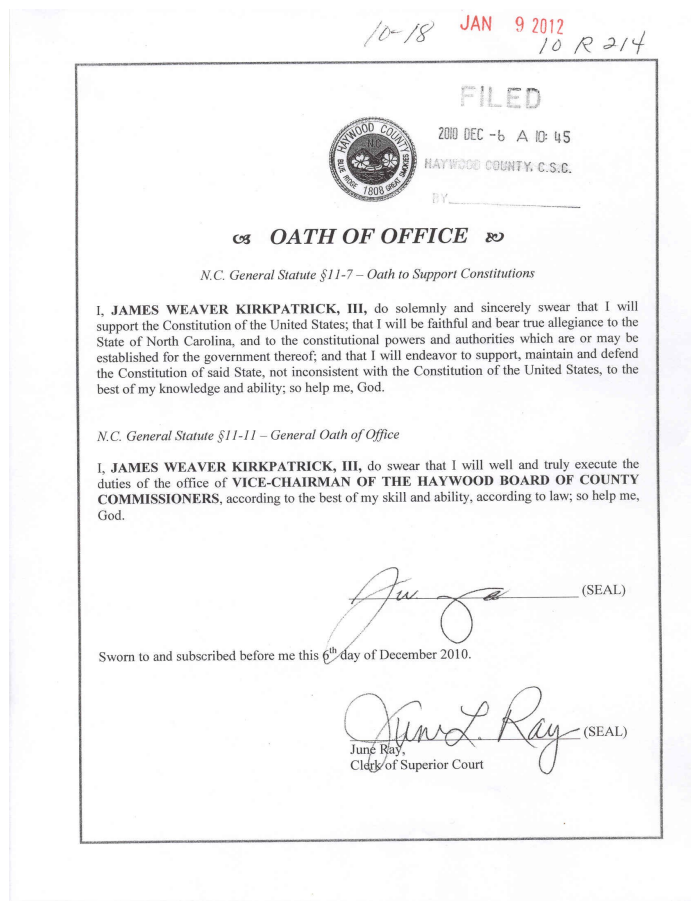

The following is the text from one of **James Weaver Kirk** “**Kirk**” **Kirkpatrick the III** oath’s of office:

JAMES WEAVER KIRKPATRICK, III took the following Oath of Office [NC General Statue 11-7]

“I, JAMES WEAVER KIRKPATRICK, III, do solemnly and sincerely swear that I will support and maintain the Constitution of the United States; that I will be faithful and bear true allegiance to the State of North Carolina, and to the constitutional powers and authorities which are or may be established for the government thereof; and that I will endeavor to support, maintain and defend the Constitution of said State, not inconsistent with the Constitution of the United States, to the best of my knowledge and ability; so help me, God.”

Also, [NC General Statue 11-11]

“I, JAMES WEAVER KIRKPATRICK, III, do swear that I will well and truly execute the duties of the office of COUNTY COMMISSIONER according to the best of my skill and ability, according to law; so help me, God.”

All of our commissioners have taken the same oath of office, some of them multiple times. Now what are they doing?

Creating a resolution declaring the same thing that they have already taken an oath (sworn on a Bible) to defend?

A “resolution” is at the bottom of the totem pole as far as documents that have any authority to enforce. Again, this “resolution” is a desperate attempt by **Kevin Ensley** [RINO] and **Brandon Rogers** [R] at saving their necks at the March 3rd Primary Election.

Do these people think Haywood County Taxpayers are a bunch of morons?

A not-so-far-fetched scenario.

Let's suppose for a moment what might happen down the road a little bit. Let's say that the voters in Haywood County are expecting a little more out of their county commissioners, and **Kevin Ensley** and **Brandon Rogers** are thrown out of office on the March 3rd primary election.

Let's suppose further that **Bill Upton** was correct when he predicted it would be a long time before there would be another democrat elected to the Haywood County Commission.

So in the November election, Terry Ramey and Jennifer Best will win over their democrat opponents.

Further, let's suppose that **Mark Pless** wins Michele Presnell's seat over Alan Jones.

What does the landscape look like?

There are three (3) Republicans -

- **Tommy Long**
- Terry Ramey
- Jennifer Best

There is a lone democrat -

- **James Weaver "Kirk" Kirkpatrick the III**

The Chair and Vice-Chair will be republicans. Who is the senior Republican? **Tommy Long** (the male manikin). **Tommy Long** would become the new Chair. We will be subject to continuous folksy family history stories, but at least we would have a Chair that can pronounce the word "Adjudication".

[**Editor's Note:** REP means Republican, DEM means democrat, UNA is Unaffiliated, RINO means Republican In Name Only.]

Legend: If any name is in **bold**, it can't be a good thing.

**Resolution Declaring Haywood County a
“CONSTITUTION PROTECTING COUNTY”**

Be it known that after over 230 years the United States of America continues to be the longest on-going constitutional republic in the world.

WHEREAS, our founders fought, bled and died for independence from a tyrannical English government that imposed its will on and extracted taxes from its people without representation; and

WHEREAS, being aggrieved and repressed by the English action, this nation declared its Independence on July 4, 1776; and

WHEREAS, after gaining independence this nation adopted as the “supreme law of the land,” the United States Constitution which is the basis of this miracle of America; and

WHEREAS, the Constitution’s opening phrase places power in the people of these United States by stating “we the people” and sets rules and parameters for a three branch form of self-regulating government; and

WHEREAS, the first ten amendments, known as the “Bill of Rights,” were adopted with the stated purposes of “extending the ground of public confidence in the Government,” and to “best ensure the beneficent ends of its institution;”

WHEREAS, seventeen other amendments were later adopted, and;

WHEREAS, in present and past times the Constitution has been and is under pressure and attack from foreign and domestic entities; and

WHEREAS, freedom of speech, freedom of the press, freedom of religion, rights to peaceably assemble, rights to due process under the law and “A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed” are rights preserved in the Bill of Rights; and

WHEREAS, the right to vote by citizens is guaranteed in the Constitution and free and fair elections are essential for “we the people” to have government “by the people”; and

WHEREAS, “equal rights” for men and women and “civil rights” for all citizens regardless of race, color, religion, sex or national origin are secured by the Constitution and the laws enacted pursuant thereto; and

WHEREAS, ALL RIGHTS contained in the United States Constitution are held in highest esteem, and PROTECTED by Haywood County, and;

WHEREAS, the Haywood County Board of Commissioners recognizes that the Constitution’s 2nd Amendment guarantees that these rights are secure by allowing its citizens redress against a tyrannical government as witnessed by our nation’s founders who crafted the 2nd Amendment; and

WHEREAS, citizens deserve the right to “keep and bear arms” if they so desire, for self-defense, the defense of others, protection of individual liberty and for the preservation of a “free state” as guaranteed by the United States Constitution, and;

WHEREAS, the Haywood County Board of Commissioners are in opposition of any proposed law that infringes upon our constitutional rights, specifically the 2nd Amendment but not inclusive to it only, and will use all legal means necessary, including the withholding of funds, in order to guarantee our citizens the protections afforded under the Constitution, so long as said action does not violate either the US and North Carolina State Constitution or any Federal or North Carolina state law.

NOW, THEREFORE, BE IT RESOLVED, the Haywood County Board of Commissioners declares Haywood County a “CONSTITUTION PROTECTING COUNTY” by affirming our oath of office to support and maintain the Constitution and laws of the United States, and the Constitution and laws of North Carolina not inconsistent therewith.

BE IT FURTHER RESOLVED, the Haywood County Board of Commissioners oppose any efforts by any entity to infringe on, or take from the Constitution. This will include any measures necessary and legal, including the withholding of funds, so long as said action is within the bounds of the United States Constitution, the laws of the United States, the North Carolina Constitution and the laws of the State of North Carolina. We declare that Haywood County government will use all its powers to defend and protect the constitutional rights of its citizens.

- The Haywood County Board of Commissioners implore all its citizens to exercise the right to vote in elections as guaranteed by the Constitution of the United States of America. The power lies in “we the people.”
- The Haywood County Board of Commissioners implores the N.C. legislature and the U.S. Congress to use all its powers and authority to protect our citizens’ freedoms under the Constitution of the United States, to reject any proposed law or regulation that will infringe, may infringe or place any burden on the Constitution of the United States and its citizens.

Let it be known, Haywood County North Carolina declares itself a CONSTITUTION PROTECTING COUNTY.

Adopted by the Haywood County Board of County Commissioners this the 3rd day of February, 2020.
