### What’s Happening?

The purpose of this newsletter is to inform Haywood County Taxpayers of what transpires at the bi-monthly County Commission Meetings. This newsletter will be written from the perspective of a casual observer, myself. Any opinions expressed will be mine.

### Kevin “Adjudication” Ensley Sick?

A group of Concerned Citizens have gotten together over the past couple of months and meet weekly. Invitations are extended to various community people to come and speak before the group, and these speakers are usually very interesting.

An invitation was extended to **Kevin “Adjudication” Ensley**, which he accepted on 8/31/2022, to speak on 9/29/2022. **Kevin “Adjudication” Ensley** had accepted the invitation prior to the last Haywood County Commission meeting, where **Kevin “Adjudication” Ensley** became the savior of dirty needle exchanges and would like to turn Haywood County into San Francisco.

On 9/12/2022, **Kevin “Adjudication” Ensley** gave notice that he is declining the invitation to speak, citing:

“Commissioner Kevin Ensley says he is not able to speak to us on 9/29 due to Health Issues.”

WTF?

**Kevin “Adjudication” Ensley**’s next county commission meeting is 9/19/2022, which is prior to the time **Kevin “Adjudication” Ensley** claimed he would not be able to speak before the group on 9/29/2022 “due to Health issues”, leaving the group holding the bag to search for an alternate speaker.

From **Kevin “Adjudication” Ensley**’s actions, we can surmise the following:

- **Kevin “Adjudication” Ensley** is a chicken [expletive deleted] for bailing, and should still continue to address this group, and
- If **Kevin “Adjudication” Ensley** knows he can’t speak before this group in three (3) weeks, how the [expletive deleted] is he going to be able to chair the next county commission meeting, which is in two (2) weeks.

[**Editor’s Note:** **Kevin “Adjudication” Ensley** usually looks like death warmed over anyway at these meetings, and looks like a deer in the headlights while chairing the meetings if there is any deviation from the meeting that is not written down for him to read.]

Should we be concerned about his health?

If there is a serious problem that is causing him to bail on speaking engagements, wouldn’t it be in his and everyone else’s best interest for him to resign?

Legend: If any name is in **bold**, it can’t be a good thing.
