Vol. #13 Issue #16 (Subject: 2022 Election - Bad time for any democrat to run for office. **2nd Update!**)

What's Happening?

The purpose of this newsletter is to inform Haywood County Taxpayers of what transpires at the bi-monthly County Commission Meetings. This newsletter will be written from the perspective of a casual observer, myself. Any opinions expressed will be mine.

2nd Update!

Forgot another county employee that also need a pink slip. Sorry for the omission.

Update!

Forgot three (3) county employees that also need a pink slip. Sorry for the omission.

2022 Election Surprises.

Two surprises November 8, 2022:

- Terry Ramey beat **James Weaver "Kirk" Kirkpatrick the III**,
- Sebastian Cothran beat Greg West, Tax Collector.

In fact, any democrat running against a Republican in Haywood County was defeated. It was a bad time for any democrat to run for office.

Congratulations to all winners!

James Weaver "Kirk" Kirkpatrick the III was thrown out of office. This will have seismic ramifications on our county commission. **Kevin "Adjudication" Ensley** was voted Chair over **Brandon Rogers** with the backing of **Mark Swanger** and **James Weaver "Kirk" Kirkpatrick the III**.

Now that **James Weaver "Kirk" Kirkpatrick the III** has been thrown out, future support for **Kevin "Adjudication" Ensley** has crumbled.

The next step for Terry Ramey, once he takes the oath of office, will be to participate in a Organizational Session of the county commissioners. This occurs each year, the first meeting in December, after any new commissioners are sworn in.

Commissioners now have an opportunity to throw **Kevin "Adjudication" Ensley** out as Chair. So, here would be my recommendation of the new Chair and Vice Chair.

- Jennifer Best - Chair
- Terry Ramey - Vice Chair
- **Brandon Rogers**
- **Tommy Long**
- **Kevin "Adjudication" Ensley.**

Once the new commissioners are properly installed, my recommendation is to do some housecleaning, and start handing out pink slips to the following people:

• David Francis	Pick a title.
• Frank Queen	County Attorney
• Bryant Morehead	County Manager
• Kris Boyd	Asst. County Manager
• Kristian Owen	Finance Director
• Joey Webb	IT Hack
• Robert Inman (* New)	Director of Elections
• Randy Siske (* New)	Gofer #1
• Tim Siske (* New)	Gofer #2
• Ira Dove (* New)	Director DSS

What's Happening for Terry Ramey to sink his teeth into?

Here we go... (on www.haywoodtp.net)

22CVS854, ToFW suing Sherri Rogers? WTF?

[22CVS854. Town of Waynesville suing ... \(get ready for this\) ... Sherri Rogers, Haywood County Register of Deeds, + David and Janice Hall, + Douglas and Melissa Gosnell, by Martha Sharpe Bradley. Jury Trial, that ought to be fun. Are these people out of their \[expletive deleted\] minds? 8/26/2022 10/13/2022...](#)

There is not a peep about this from:

- The local newspaper, the Mountaineer,
- The local Tabloid, Smoky Mountain News,
- Town of Waynesville Aldermen,
- Any Haywood County Commissioner.

Let's see if anyone is bold enough (except **Cory Vaillancourt**, who is already in bold) to bring this up.

Detention Center Update?

[County Commissioners approved \\$1,985,000 to Moseley Architects for architecture and engineering services for the proposed Detention Center \(New Jail\) on 6/6/2022. Here is the result for nearly \\$2 Million. \(More Missing Millions?\) 6/6/2022. 10/18/2022...](#)

No one has said a peep about what's happening here, nor **Frank Queen** on negotiations with the railroad on the right of way issue.

Noise Ordinance Templet.

[Transcribed portions of 10/17/2022 County Commission Meeting - Tommy Long is an Idiot and an \[expletive deleted\] Bully. Two Public Comments and Tommy Long's Response, re: SPL \(Sound Pressure Level\). 10/17/2022. 10/24/2022...](https://www.haywoodtp.net/pubII/221022TranscriptLongCC-Meeting.pdf)

At the last county commission meeting, I patiently waited for **Tommy Long** to comment on the templet I provided to him. Not a [expletive deleted] word.

Recovery Court.

Not a peep about this from either:

Additional information on Jonathan Creek Expenses.

No additional information has been provided for my Request for Public Information on Total Expenses the county coughed up for the **James Weaver "Kirk" Kirkpatrick the III** Super Duper Sports Complex, a.k.a. The **David Francis** Dirt Spreading Project, a.k.a. the Jonathan Creek property.

Why?

A directive from **Kevin "Adjudication" Ensley** obstructing any additional information to be provided by any county staff. From an email sent from **Kevin "Adjudication" Ensley** on October 4, 2022:

Thanks for sending me the info Bryant. Looks like Miller is fulfilling his fathers wisdom when he told our staff that he was an "embarrassment ". Mr. Miller senior was such a positive force and it had to concern him when he saw his son be such an "embarrassment" to their family. I've noticed he leaves me off of these emails. Wonder why?

One thing I do know is that Brandon's father was very proud of his son because he is successful in everything thing he does. Brandon is such a positive force for our community. To bad Monroe Senior could not say that about his namesake. Anyway Miller has received the info he asked for and cannot produce a shred of evidence to back his claims. I would recommend the staff ignore this unwarranted request and not waste taxpayers money on his baseless request. Hope everyone has a great day!
